

Strike up the band!

Banning High School's Jazz Band entertained at a May 7th Celebrating Educators luncheon sponsored by the Riverside County Office of Education.

The event took place at the Riverside Convention Center and honored school district employees from throughout Riverside County.

The ceremony recognized the region's outstanding teachers, principals, school counselors, administrators, and other district employees for their contributions to public education.

Let's give a big round of applause to these talented musicians and student entertainers!
