If you are not satisfied with the school district's investigation or results, you can appeal to the CA Department of Education. If you decide to appeal, you must do so within 15 days of receiving the school district's written response.

Members of the public can also file complaints related to other issues, such as illegal school fees and what are known as *Williams* complaints, which relate to whether school facilities are clean and safe, students have access to instructional materials, and whether teachers are appropriately credentialed. Those additional issues are not addressed in this brochure, but you can find out more information about *Williams* complaints at <https://www.aclusocal.org/cases/williams-v-california/williams-complaint-process/>.
