QUESTIONS AND ANSWERS

## Questions and Answers

Here are the answers to all the questions the District received for this RFP

1. Do you know which WAP model numbers are needed?

**WAP model desired by the District is listed on the last page of the RFP.**

2. Are you requesting foundation care as part of the RFP? I dont see it requested but do see that you allow for warranties to be quoted optionally. Can you clarify if its required or not?

**District is not requesting any additional foundation care with this RFP.**
